While foreign language is not a DPS graduation requirement, NHS requires all students to take at least two years of foreign language since most colleges require at least 2-3 years of a foreign language as part of their entrance requirements. We strongly suggest 3 years. If you have an interest in studying more than one language at a time, please contact your high school counselor.

ELECTIVES All electives are pending NHS staffing next year. Elective choices cannot be guaranteed. You may choose either one, two, or three electives. If you choose one elective, you will have 6 classes, with two off-periods. If you choose two electives, you will have 7 classes, with one off-period. If you choose three electives, you will have 8 classes, equaling a full course load. Taking 6 or 7 classes will not set you behind on graduation.

HOW TO SELECT ELECTIVES

1. Rank your top five choices below by marking the numbers 1-5 next to each course. Mark 1 for your first choice elective and continue up to 5 for your last choice.
