Re: Northfield High School Marketplace Program

Dear Northfield Families,

The success of each and every student is important to us! This year Northfield High School, with the support of the Northfield High School Foundation, will be stocking our community food pantry with donations from our families and the community at large. We would like to offer this food to our families in need via our new Northfield Marketplace. The Marketplace Program will provide a variety of food for meals and snacks to students and their immediate family members needing assistance. This year we have set up the food in a marketplace format in the Cafeteria so that parents/guardians can come in and pick out the food that they would like, during the available time slots (TBD).

If your family is interested in participating in the Northfield Marketplace program, please complete the form below and return to the main office. Alternatively, if you need one-time or short-term help with food, please contact us for temporary assistance as well.

To enroll:

Please sign and return this form to the main office. You may reach out to Mrs. Anne Marie Schroeder in the main office 720-423-8000 or Annemarie_Schroeder@DPSK12.org or the School Social Worker, Ms. Sierra Dawkins at 720-423-8073 or Sierra_Dawkins@DPSK12.org with questions or for more information.

I have read the above information and would like to participate in the Northfield Marketplace Program:

Print Parent/Guardian Name Phone Number

Parent/Guardian Signature Date

Student Name/ID #

Days & Times that would be best to come to NHS to pick up food
