

Dear Parents and Students of the Senior Class of 2020,

Below, you will find important information regarding submission of your senior portraits for the yearbook, as well as a list of preferred photographers serving the Northfield community. The yearbook is an all-digital, all-color book with strict deadlines, so correct and timely submission of your senior photo is essential.

Please give your photographer the requirements listed below:

- All portraits should be vertical rectangles, 2 inches by 3 inches, at 300dpi, saved in JPEG format.
- All portraits should be head and shoulder shots.
- Portraits featuring any clothing, items, or subjects in violation of school policy or dress code will not be accepted.
- Portraits with props or animals will not be accepted.
- Portraits must be submitted digitally; we will not accept hard copies of any portrait.
- Photographers should also submit portraits digitally using the link, password, and login listed below.
- **No portraits will be accepted after 3 p.m. on October 4, 2019. Please contact Travis Lambert prior to the final date if you have any questions or concerns.**
